

MARK PROTUS

LEARNING & DEVELOPMENT CONSULTANT

20+ YEARS OF LEADERSHIP EXPERIENCE
SUPPORTING A BROAD RANGE OF INDUSTRIES

As the Founder and Chief Innovator of protus.consulting since 2000, I am deeply committed to delivering service excellence in every facet of our operations. We have led high-impact projects and implemented creative learning & development programs for amazing clients looking to empower their businesses, customer base, and employees.

With a specialization in partnering closely with clients to gain a thorough understanding of their unique challenges, we are dedicated to crafting personalized, on-time, and on-budget solutions that exceed expectations.

Mark Excels in These Types of Consultative Engagements:

- Learning & Development
- Business Transformation
- New System Development
- Change Management
- Process Improvement
- Customer Experience

Key Recent Wins Include:

Built a team and a digital learning platform (Microsoft Learning Experiences) providing live to on-demand training experiences for millions of developers, IT professionals, and students.

Directed a high-performing team developing and publishing innovative customer-facing learning and media experiences across all MS Office audiences, devices, and platforms to enhance skills, productivity, adoption, and satisfaction while reducing support costs.

Led the end-to-end strategy, design, development, and execution of REEF's Global Learning and Development digital transformation, reporting to the Chief People Officer.

SMALL SAMPLE OF HAPPY PARTNERS...
